

Here at Katie's Kids Learning Center we understand how important family time is in a society that is on-the-go much of the time.

In an effort to offer some relief to life in the 'fast lane' we are introducing freshly prepared cakes, cupcakes, and cookie cakes.

Whether it is a birthday, holiday, special occasion, or just because, have our chefs create a homemade treat to take home or deliver it right to your child's classroom.

Remember us for your next classroom treat!

Our kitchen is aware of all classroom allergies and can ensure that the treat we deliver will be healthy and safe for all children here at our center!
