

Katie's Kids Learning Center

School Age Families

Katie's Kids will be offering a school age program on those days the children are not in attendance at school. We would like to invite your family to attend the Katie's Kids non-school day program. Katie's Kids non-school days will follow the Unit 5 calendar. The cost of the non-school day program is \$50 per day. These days are open to your family and you pay for only the days your child attends. We do ask that your family contacts us two weeks in advance to let us know that your child will be in attendance.

We hope this program can accommodate your family's needs and we are excited for the upcoming school year! Below are the dates that Katie's Kids will have a school age program.
