## June 2009

Dear Parents~

There are a few things that we would like you to be aware of for the month of June. In place of the Annual Summer Get-together, we have decided to have a fundraiser for the Relay for Life team! For the low cost of \$5 per family, you will get admission to our "Carnival"! The "Carnival" will be on June 13<sup>th</sup>, from 9:30 to 12. There will be lots of games and prizes. Food and refreshments will be available for an additional cost. Sign up is required, payment will be made the day of the carnival, upon arrival. It will be a fun time and for a great cause, so come out and spend some time at the "Carnival"!!

There are a few things that we would like to remind the parents about now that it is warm outside. Please remember when picking up your child, to enter and exit through the main entrance in the front of the building. We have had some parents entering and leaving from the playground. This is a safety issue and the gate will now be secured at all times.

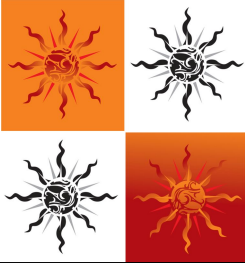

In the coming months there are some dates that Katie's Kids will be closed. Friday, July 3<sup>rd</sup>, we will be closed for the Fourth of July holiday. In August, we will be closed for the annual professional development day. It will be Friday, August 14<sup>th</sup>.

On Saturday, August 8<sup>th</sup>, Katie's Kids will be having our Summer Picnic at the new Katie's Kids in Normal. We will be having a face painter, petting zoo, moon bounces and many other fun activities for everyone to enjoy. This will be a joint event for both centers and will give the families from this center a chance to see the new one! Please mark your calendars for the event and plan on coming out and having loads of fun! More information will follow as the date draws closer.

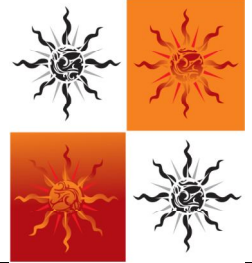

Have a safe and happy summer!!

Mo, Katie, Jody and Andrea

Hello and happy spring! This month we would like to sadly say goodbye to Addie, Abby, Chase and Erin as for they have moved up and moved on to Preschool! We have enjoyed having them in our class and look forward to seeing and hearing all about the new and exciting things they will learn in their new rooms. We also would like to say hello to Naveen, Madison, Thomas, and Emily. We look forward to getting to know you and watch you grow!

This month we will continue our spring project and do some spring cleaning! We will take down old and put up new! So come down and check it out! Reminder: If anyone is interested in helping with our Relay for Life team, please contact Nicole or Megan.

### Room 2

We would like to welcome all of our new friends, Gavin, Colby, Addi, Kendyl and Jonathan. We would also like to welcome our new CDS, Miss Cathy! We are so excited to have her with us, as she is a wonderful addition to our room! We have already started golf ball painting this month, which includes dipping the ball into the paint and using it as a "paintbrush". Future art projects will include using different tools for painting such as sponge wands, kiwi, and bubble wrap. We are looking forward to the many different projects as they are appropriate for all of the young children in our room!

### Room 3

We would like to offer a warm welcome to Kye, Riya, and Kavya. We look forward to getting to know our new friends!

The babies had fun trying our beach ball activity. We held them tummy side down on the ball. They enjoyed the gentle rocking motion back and forth and side to side.

Please notice our outdoor pictures in the hallway. The babies helped create butterflies. We used their little footprints to make the wings!!
