## Waiting List Policy

Children are placed on the waiting list according to date of application and date of birth. Waiting list priority will be given to siblings of children enrolled at Katie's Kids Learning Center (and staff's children). Openings are filled from the waiting list as soon as they are made available. If an opening becomes available and the next family on the waiting list is not ready to start, the family can either pay for the spot until they are ready to start or they can decline the spot and return to the waiting list or be removed from the list. Due to the number of names on the waiting list, Katie's Kids Learning Center cannot guarantee a start-date at the time of application.

In order to continue on our waiting list, we ask that you call for an update **at least** once every 3 months. Because of the volume of families that visit Katie's Kids Learning Center, we do ask that it be your responsibility to call and update us regularly. If you do not call to update, your application will be removed from our list.

**We appreciate your cooperation and look forward to your family joining us soon!**
