

Cookie Cakes & Cupcakes

Katie's Kids Learning Center understands how important family time is in a society that is on-the-go much of the time. In an effort to offer some relief for families we are introducing freshly prepared cupcakes and cookie cakes.

Whether it is a birthday, special occasion, or just because, our chefs will create a homemade treat to take home or deliver right to your child's classroom.

Our kitchen is aware of all classroom allergies and can ensure that the treats we deliver will be healthy and safe for all children here at our center!
